

## COLLEGES & UNIVERSITIES ATTENDED BY OAK HILL ALUMNI

---

### Facts about our Alumni:

100% of our Junior High graduates have gone on to college or other higher learning institutions. These are as varied and individual as our students.

As of 2016, we've had 55 Junior High graduates old enough to graduate from high school who have all gone on to further learning at 40 different colleges and universities in 17 states and two foreign countries. Many of them have chosen to study abroad, participate in internships or research projects, volunteer, and participate in extracurricular activities including collegiate sports. Many have received scholarships and grants for their academic work.

Our 55 post-secondary Junior High graduates including Valedictorians, Salutatorians, and graduates who have the distinction of graduating with highest honors, Magna Cum Laude and Summa Cum Laude from both private and public high schools.

Our students have majored in electrical, mechanical, and civil engineering, political science, kinesiology, chemistry, pre-med, business management, music, psychology, French, nursing, economics, digital cinema, actuary science, game design, international business, neuropsychology, and more.
