

# SUMMER CAMP 2017

Hello Everyone,

Thank you to those who came to our April 29 meeting. It was great to meet you and to be able to introduce you to the staff members on hand!

Now we are happy to share with you the names and backgrounds of the rest of our OHM Summer Camp personnel. We are excited about the enthusiastic, talented and energetic individuals who will round out our summer staff.

- **Maisah Outlaw (Lead CH Counselor)** has her Bachelor of Arts degree in Journalism from Rutgers University and is a recent graduate of the AMI Training Center in St. Paul with her Master's in Montessori education. Maisah spent time at Oak Hill doing observation work as well as her internship in Casa 1 earlier this year. She has several of teaching experience overseas in Turkey, Belgium and Georgia. Maisah is very excited to be the lead counselor for the Children's House program.
- **Maddie Caron (Counselor)** is an OHM Alum who went on to graduate from Centennial High School with honors. Maddie is now enrolled at Lewis and Clark College as a junior majoring in Rhetoric and Media Studies. She is a Cognitive Psychology Research Intern working with children from age 4 through 8 and has also worked with children and adults at Kumon Math and Reading. While at college Maddie also volunteers as an Early Childhood Education Volunteer at the Oregon Museum of Science and Industry
- **Trent Briant (Counselor)** graduated with a B.S. degree in Sports Management. Trent spent several years working as a counselor and coach for the Blaine Park and Rec Department for ages 3-13. Trent also worked at Irondale High School as the Assistant to the Activities Director and volunteered as a coaching assistant at Blaine High School
- **Rene Somerville (Counselor)** has her Montessori training and teaches in a Children's House program at Hand in Hand Montessori in Roseville. Rene also works as a personal child-care provider as well as assisting in the infant and youth care programs at her church.

Background checks and the necessary First Aid and CPR classes are underway for new staff. We feel so fortunate to have this group of talented people who, we are certain, will provide a fun and exciting summer for our OHM Campers.

See you soon!

Annie and Erika
